Targets a single model (even a character in a unit). If the spell is successfully cast, the enemy must take an I test in order to avoid being turned into a frog. If it fails, they are transformed and cannot do anything except croak and hop around for the rest of the game. Remove the model as casualty with no saves allowed except Magic Resistance.			Roll a D6/2D6; the result rolled is the number of characteristics that may be increased by 1, with the following order; WS, I, S, T, A, LD. The effects lasts until the start of the next Bretonnian Magic phase.			Affects all enemy units within range of the caster. All enemy units within range take D6 S 4 hits with with Lightning Attacks.
