One Turn

Place a Forest* underneath the target. This Forest always extends to the edges of the target's Unit Boundary (even if the unit moves or changes formation).

* You may place a marker next to the unit instead

Note: The target gains Soft Cover and activates the effects of Elven Cloak and Forest Dweller, if it has it. Enemy units in contact are considered in contact with a Forest (e.g. suffer from Disruptive and may need to take Dangerous Terrain Tests).
