<p>Whenever a spell from the Lore of the Desert is cast on an enemy unit, that unit must re-roll 6's for their charge distance, when fleeing and when pursuing until the start of the next Arabyan magic phase.</p>	<p>All models in the unit must take an I test. Those that fail must then take an armour save. If passed, they are dragged down into the sand and are removed as casualties, with no save allowed. Models without armour count as passing on a 6. This spell has no effect on models with the Fly, Ethereal or Strider.</p>	<p>Remains in Play. Place a marker within 24" and Line of Sight of the target. While the spell is in effect, the target must turn and move directly towards the marker as fast as possible in the Movement phase, or target it with any missile weapons. If the marker is within charge range, the unit must declare a charge against it just as if it was an enemy unit. The spell is immediately dispelled if the target reaches the marker, has lost Line of Sight to it at the start of their Movement phase, hits it with any missile weapons or is engaged in close combat.</p>	<p>Causes D6/2D6 S 4 hits. Roll a D6 after resolving the damage; on a 3+, the Dancing Scimitar moves to another unengaged enemy unit within 8". Keep rolling until you make an unsuccessful attempt or run out of enemy units. Note that any unit cannot get hit more than once by the same Dancing Scimitar each turn.</p>
