WIZARD KING SPELL  
CROWN OF THE

THE IX AGE  
FANTASY BATTLES

You gain one Veil Token that is not removed when the spell ends. When a friendly unit within 18" of the Caster suffers a wound before Special Saves, you may discard a Veil Token from your Veil Token pool and apply the following rules instead:

- No Special Save can be taken.
- If the attack causing the wound has Multiple Wounds, it inflicts one wound less than usual. Otherwise, the wound is ignored.

For Standard Infantry, up to 2 wounds are ignored per token provided they are suffered simultaneously. A maximum of two Veil Tokens may be discarded each phase for this purpose.

Characters and Gigantic models can only ignore a single wound this way per phase.
