Remains in play. Place a small (3") blast template so that its central hole is within 12" of the caster. Whilst in play, the template is treated as dangerous terrain. The template moves D6" in a random direction during every Start of Turn sub-phase. Any unit (friend or foe, but not including Daemons of Nurgle) the moving template touches or moves over suffers a -1 modifier to its Toughness characteristic for the remainder of the turn.

If this spell is cast with a casting result of 8 or more, the target enemy unit suffers a -D3 modifier to one of the following characteristics (to a minimum of 1, chosen by the casting player). If this spell is cast with a casting result of 12 or more, the target enemy unit suffers a -D3 modifier to two of the following characteristics (to a minimum of 1, chosen by the casting player). This spell lasts until your next Start of Turn sub-phase:

- Weapon Skill
- Strength
- Toughness
