| 10 | Caster<br>Range 0 | One Turn |

*Effect*

THE IX AGE
FANTASY BATTLES
CROWN OF THE
WIZARD KING SPELL

The target gains two Protection Tokens with Duration: One Turn. Whenever a friendly Health Pool within~18 suffers an unsaved wound before special saves, the Caster may discard one Protection Token to prevent:itemize[leftmargin=*] Two HP losses for Rank-and-File models with Height~1.
One HP loss otherwise.itemize
A Health Pool can only be affected twice per Phase. Characters and/or models with Height~4-5~can only be affected once per Phase. Note, if the attack has Multiple Wounds, apply the multiplication before ignoring Health point losses.
